

CarbonNano Privacy Policy

1). General Items:-

- “you” or “You” are the person visiting websites operated or owned by CarbonNano Ltd.
- “we” or “We” or “us” or “Us” are CarbonNano Ltd.

This document sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. By using our sites, you accept, and agree to abide by, all the items contained in this document, which may supplement any of our other Terms and Conditions.

Some of the information contained in this document may also be superseded by information published elsewhere on any of our sites. Therefore it is important that you read this and the following documents before you continue to use our websites, purchase our products or purchase our design services as these documents may be periodically updated:-

- Website Acceptable Use Policy
- Privacy And Cookie Policy
- Terms & Conditions Of Web Services
- Terms & Conditions Of Sale Of Products
- Terms & Conditions of Design Services

We are registered in England and Wales under company number 09444082.

We are not liable for any actions taken in response to breaches of this document. We reserve the right to take any other action we reasonably deem appropriate that might not be listed herein.

These terms and conditions and any dispute or claim arising out of or in connection with them shall be governed by and construed in accordance with the law of England and Wales.

2). Data Protection Act:-

CarbonNano Ltd. will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this document.

CarbonNano websites may contain links to and from the websites of our partner networks, advertisers and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for these policies.

For the purpose of the Data Protection Act 1998 (the Act), the data controller is CarbonNano Ltd, 22 New Road, Felixstowe, IP11 0TF, United Kingdom. Our nominated representative for the purpose of the Act is Paul Harrison-Rowe.

3). Information We Hold On You:-

We may collect and process the following data about you:-

- Any information that you provide by using our websites, emails or messages sent to us by any means, social media messages or any information that you post as part of any of our interactive services.
- Any information regarding to how our websites are visited and used such as analytics of website traffic, key presses, items most looked at etc. This is statistical data about our users' browsing and use actions and patterns, and does not identify any individual.
- Monitoring data required to provide our users with information via the any CarbonNano service.
- Any survey that we have asked you to complete and you have returned to us.

4). Cookies:-

CarbonNano does not currently use cookies. We regularly check the operation of our web site to ensure that this policy is maintained.

We provide our web site for your information and what services we can offer you, we do not provide our web site to market or advertise our company, we use other methods such as social media and for example LinkedIn.

5). Storing Your Data:-

All information you provide to us is stored on our secure servers. You are responsible for keeping your login details confidential.

Transmission of internet data is not completely secure; we cannot guarantee the security of your data when it is transmitted over the internet.

Your data may be transferred to, and stored by a third party service provider, at a destination outside of the UK. It may be necessary to do this in order to fulfil your order or process your payments. We also may use remote servers that are located outside of the UK.

By submitting your data to us we will assume that you have read and understood this policy and you agree to this transfer, storing or processing. We use strict procedures and security features to try to prevent unauthorised access.

6). Using Your Data:-

We may use your data to:-

- To provide you with information, products or services that you request from us or which we feel may interest you, where you have consented to be contacted for such purposes.
- To carry out our obligations arising from any contracts entered into between you and us.
- To allow you to participate in interactive features of our service, when you choose to do so.
- To notify you about changes to our service.
- We may share information with credit reference and fraud prevention agencies for use in credit decisions, and for fraud detection and prevention purposes.
- For market research.
- To enable us to comply with any legal or regulatory requirements.
- We may disclose your information to any successors of our business for them to use for the purposes set out in this Privacy Notice

7). Your Information Disclosure:-

We may disclose your personal information to third parties:-

- In the event that we sell any or all of our business or assets, in which case we may transfer your personal data to the buyer of such business or assets.
- If we are under a duty to disclose your personal data in order to comply with any legal obligation, or in order to enforce or apply our Terms and Conditions or Policies. This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.
- We may disclose your personal information to any member of our group, which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006.

8). Changes To This Document:-

We reserve the right to change our Terms and Conditions or Policies at our sole discretion or when required to by law. Whenever you visit or access our websites, purchase our product or purchase our design services, the version of our Terms & Conditions or Policies will be displayed by the date at the footer of each document.

You must keep a record of the version that was in existence at the time of your purchase or last visit and to understand whether there are any changes since that time, as your continued use of our products or services after changes to the Terms and Conditions have been made means that you agree to be bound by such changes.
